

Certificate DE12/711040714.00

The management system of

HYDAC Technology GmbH

Industriegebiet
D-66280 Sulzbach

has been assessed and certified as meeting the requirements of

ISO 14001:2015

For the following activities

**Development, production, sales and service for components,
units and systems for hydraulics, filtration technology,
fluid technology, process filtration and electronics**

This certificate is valid from 03.09.2020 until 17.02.2023 and remains valid
subject to satisfactory surveillance audits. Recertification audit due
a minimum of 60 days before the expiration date.

Issue 13

The audit leading to this certificate commenced on 28.02.2020.
Previous issue certificate validity date was until 17.02.2023.

This is a multi-site certification.
